

## Our Testimony

My wife and I were both raised in full-time Christian ministry, and we thank the Lord and our parents for that. Christy was saved at the age of eight, and I was saved at the age of thirteen; we were each baptized shortly thereafter. We met at West Coast Baptist College and were married on December 20, 2003. We knew God had something special for us, but we had no idea what that would be. Finally, God showed us through different events that we were to serve Him in Mexico. We are very excited that God has revealed His will to us, and that He has been so good and faithful to us.

## Our Stand

We believe that God has ordained the local church to do His work and has preserved His words down through the years in the form of the King James Version Bible. We believe that the KJV was inspired as stated in II Timothy 3:16 and that it is infallible. We also believe in salvation by faith through the shed blood of Jesus Christ and that once saved always saved. True baptism is by immersion only. It is our belief that Jesus is God and that he came to earth as a man born to a virgin to die on the cross for the sins of all mankind. We believe that He rose from the dead three days later, and we know that He will one day return for His children.

## Our Burden

In Mexico, Christy and I are working with the Nelson Dorr family; this is Christy's family. Bro. Dorr has started several churches in Mexico along with a Bible institute. Three years ago, we were able to help him start a church on the same property where the institute is. Christy and I help in the institute and the kitchen, as well as in the church. Our burden is to start an orphanage on the same property; and we have now been able to open the doors for kids to come. Our goal, is not just to provide a place for these kids to live, but to train them in God's Word and in the ministry. Our hope is to one day be able to help these kids start their own churches and send them to the mission field. Please pray for us and Providence Baptist Ministries as we enjoy what God has planned for our future.
